Sample Curricular Information Letter to Parents/Guardians and Medical Information Form

PART A: SAMPLE INFORMATION LETTER TO PARENTS/GUARDIANS

Dear Parent/Guardian:

Please retain these pages for your information.

Physical activity is essential for healthy growth and development. Growing bones and muscles require not only good nutrition, but also the stimulation of vigorous physical activity to increase the strength and endurance necessary for a physically active lifestyle. Active participation in physical education classes, which includes games, dance, gymnastics, and outdoor pursuits, provides opportunities for students to develop the skills and confidence necessary to play and work co-operatively and competitively with their peers.

[In this section, individual schools should highlight various curricular physical education topics at the primary, junior and intermediate levels. Be sure to identify unique programs which take students into the immediate community (e.g., in-class cross-country running and skating.)]

ELEMENTS OF RISK NOTICE

The risk of injury exists in every athletic activity. However, due to the very nature of some activities, the risk of injury may increase. Injuries may range from minor sprains and strains to more serious injuries (e.g. concussion). These injuries result from the nature of the activity and can occur without fault on either the part of the student, the school board or its employees/agents or the facility where the activity is taking place. The safety and well-being of students is a prime concern and attempts are made to manage, as effectively as possible, the foreseeable risks inherent in physical activity. Please call the school to discuss safety concerns related to any physical activity in which your child/ward is participating.

(School/school board may wish to provide information about their concussion protocol/procedures)

Concussions - sample statement

(Name of School Board)'s concussion policy and procedures will be followed if a student sustains a hit or blow to the head or body and shows signs and/or symptoms of concussion. Please be advised that you will be asked to seek medical attention (i.e. medical doctor or nurse practitioner) for your child/ward if signs and/or symptoms of concussion occur. Concussion information for parents and students is available at (school board website). You are advised along with your child to view Dr. Evans' video - *Concussion Management and return to learn*: www.health.gov.on.ca/en/public/programs/concussions

Student Accident Insurance Notice

The (name of school board) does not provide any accidental death, disability, dismemberment/medical/dental expense insurance for student participation in school sponsored activities (e.g., curricular, intramural and interschool). For insurance coverage of

injuries, parents/guardians are encouraged to consider a Student Accident Insurance Plan from an insurance company of their choice.

As part of the Ministry of Education's Daily Physical Activity (DPA) initiative, every student at our school will be participating daily in 20 minutes of moderate-to-vigorous physical activity. Research has shown that daily, sustained physical activity has a positive impact on students' academic achievement, readiness to learn, behaviour, self-esteem, and level of physical fitness. This DPA program will take place in physical education classes and in other areas of the school on non-physical education days. Aerobic routines, fitness circuits, and power walks are some examples of DPA sessions.

Students will also have opportunities to participate in co-curricular intramural and club activities that may include, but are not limited to, ball hockey, volleyball, basketball and badminton.

[In this section, schools should identify examples of intramural activities which may be offered to students during the school year.]

Sudden Arrhythmia Death Syndrome (SADS)

Refers to a variety of cardiac disorders which are often genetic and undiagnosed that can be responsible for sudden cardiac death in young apparently healthy people.

Fainting or seizure during/after physical activity or resulting from emotional excitement, emotional distress or being startled can be a warning sign of sudden arrhythmia death syndrome. The school response is to call emergency medical services (911) and inform the parents/guardians. Parents/guardians are to be provided with Appendix M - Sudden Arrhythmia Death Syndrome (SADS), which contains information about SADS as well as a Documentation of a Fainting Episode Form. The student is not to participate in physical activity until cleared by a medical assessment and the Documentation of a Fainting Episode Form is completed by parent/guardian and returned to the school administrator/designate. For further information please visit www.sads.ca.

In the interest of safety

Running shoes with a flat rubber treaded sole which are secured to the foot are a minimum requirement along with appropriate clothing for the physical activity (e.g., shorts or sweat pants and t-shirt/sweat shirt).

Certain types of jewellery can pose a hazard and cause injury to the wearer and/or other participants during physical activity. Students must comply with the instructions of the teacher, following board/school procedures, when requested to remove jewellery.

Medic alert identification and religious articles of faith that cannot be removed must be taped or securely covered.

We strongly recommend that students have an annual medical examination.

Students must bring emergency medications (e.g., asthma inhalers, epinephrine auto injectors) to all curricular and co-curricular physical activities.

Students must remove eyeglasses during DPA, physical education classes and intramurals. If eyeglasses cannot be removed, the student must wear an eyeglass strap and shatterproof

lenses.

Students must be made aware of ways to protect themselves from environmental conditions (e.g., use of hats, sunscreen, sunglasses, access to liquid replacement, insect repellent, appropriate clothing).

A safety inspection must be carried out at home of any equipment brought to school for personal use in class, or in intramural/club activities (e.g., skis, skates, helmets).

For the DPA program students must wear appropriate running shoes and loose-fitting clothing that will not inhibit movement.

PLEASE NOTE: FREEDOM OF INFORMATION- The information provided on this form is collected pursuant to the Board's education responsibilities as set out in the Education Act and its regulations. This information is protected under the Freedom of Information and Protection of Privacy Act and will be utilized only for the purposes related to the Board's Policy on Risk Management. Any questions with respect to this information should be directed to your school principal.

PART B: SAMPLE MEDICAL INFORMATION FORM

Parents/guardians are requested to complete the following medical information form, acknowledgement of Elements of Risk Notice and request to participate in intramural activities and return to their child/ward's teacher.

Name of Student: _____ Grade: _____

Name of Teacher: _____

(Where your child's/ward's condition is confidential or requires further explanation you are requested to contact your child's/ward's teacher.)

Date of last complete medical examination: _____

Date of last tetanus immunization: _____

Is your child allergic to any drugs, food or medication/other? Yes ___ No ___

If yes, provide details _____

1. Medic Alert Information

Does your child/ward wear a medical alert bracelet? Yes ___ No ___

Does your child/ward wear a neck chain? Yes ___ No ___

Does your child/ward carry a medical alert card? Yes ___ No ___

If yes, please specify what is written on it: _____

2. Medications

Does your child/ward take any prescription drugs? Yes ___ No ___

If yes, provide details _____

What medication(s) should be accessible during the physical activity?

Who should administer the medication? _____

3. Oral and Visual Appliance

Does your child/ward wear eyeglasses? Yes ___ No ___

Does your child/ward wear contact lenses? Yes ___ No ___

Does your child/ward wear orthodontic appliance? Yes ___ No ___

Does your child/ward have dental restorations
(i.e., crowns, bridges)? Yes ___ No ___

4. Medical Conditions

Has your child/ward been identified as anaphylactic? Yes__ No __

If yes does he/she carry an epinephrine auto injector
(e.g., EpiPen/Allerject)? Yes__ No__

Please indicate if your child/ward has been diagnosed as having any of the following
medical conditions and provide pertinent details.

Circle any that apply and provide relevant details:

Asthma	Epilepsy	Type I Diabetes	Type II Diabetes
Heart disorders	Allergies	Deafness	Other

5. Physical Ailments

Circle any that apply and provide relevant details:

arthritis or rheumatism	spinal conditions	orthopaedic conditions
chronic nosebleeds	fainting	trick or lock knee
dizziness	headaches	hernia
swollen, hyper-mobile or painful joints		

Head or back conditions or injuries (in the past two years)

Has your child/ward previously been diagnosed with a concussion? yes__ no__

How many times? ____

When was the last diagnosis? _____ (month/day/year)

What medical advice was given by a medical doctor/nurse practitioner about participating
in future physical activity? _____

If your child/ward is presently diagnosed with a concussion by a medical doctor/nurse practitioner, that was sustained outside of school physical activity, the Appendix C-3 - Sample Documentation of Medical Examination must be completed before the student returns to physical education classes, DPA, intramural activities and interschool practices and competitions. Request the form from the school administrator.

Please indicate any other medical condition that will limit participation or that the teacher should be aware of:

Elements of Risk Notice

I acknowledge and have read the Elements of Risk notice.

Parent/Guardian Signature: _____ Date: _____

Intramural Activities/Clubs Permission

Optional: This signature space may be used in lieu of collecting a separate Intramural permission form.

I give permission for my child/ward to participate in intramural activities/clubs.

Parent/Guardian Signature: _____ Date: _____
