Sample Documentation of Medical Examination

Thic	form to be provided to all students suspected of boying a consussion. For more information consult
	form to be provided to all students suspected of having a concussion. For more information consult pendix C-1 - Concussion Protocol: Prevention, Identification and Management Procedures"
	(student name) sustained a suspected concussion
on _	(date). As a result, this student must be seen by a medical doctor
or r	nurse practitioner. Prior to returning to school, the parent/guardian must inform the
scho	pool principal of the results of the medical examination by completing the following:
<u>Res</u>	ults of Medical Examination
	My child/ward has been examined and no concussion has been diagnosed and therefore
	may resume full participation in learning and physical activity with no restrictions.
	My child/ward has been examined and a concussion has been diagnosed and therefore
	must begin a medically supervised, individualized and gradual Return to Learn/Return to
	Physical Activity Plan.
