Ophea's Concussion Identification, Management and Prevention for Schools e-Learning module

Please note that the e-Learning modules offered through the e-Learning portal are currently being revised. The revised versions will be available for the 2019/20 school year. If you have any questions, please connect with us at professionallearning@ophea.org.

Developed to increase awareness and understanding of concussion, and the method and strategies to be used for identification and appropriate management. The module, updated to align with the Ontario Physical Activity Safety Standards in Education Concussion Protocol, also includes strategies and resources to assist in the education of concussion prevention. This e-learning module is intended for all school staff including educators, administrators and support staff.
