

Fee-For-Service Workshops

Ophea offers fee-for-service workshops year round. Workshops are \$815 + incidentals per workshop or a discounted price of \$1120 + incidentals for two of the same workshop (must be at the same location on the same day by the same trainer). Ophea's workshops are developed by educators and subject matter experts and delivered in-person by qualified Ophea Trainers. These interactive professional learning workshops are 2.5 hours in length and feature a variety of facilitated instructional methods to meet the needs of diverse learners. At the conclusion of each workshop learners are equipped with the knowledge and skills that will support them in their work.
