

THE INTENT

The primary responsibility for the safety of students rests with the school board and its employees.

OPASSE are the minimum standards for risk management practices for physical activities and concussions (PPM 158) in education settings for school boards across Ontario.

Elementary
(Grades 1-8)

THE ANNUAL REVISION PROCESS

A user-driven annual process managed by Ophea and powered by a team of risk-management professionals is used to ensure quality standards.

YOUR ROLE

Everyone has the opportunity to strengthen OPASSE by asking questions, submitting change requests, and providing evidence to ensure access to the most up-to-date content.
